

# Knurled Rolls

We're leaders in edger and gang replacement parts.

Promac manufactures top-of-the-line Knurled Rolls. Our rolls are hard chromed and available in solid or pipe styles. We can also supply any knurl pattern required.

For when uptime counts.

We utilize the best of modern materials and manufacturing practices by skilled trades people on state of the art CNC equipment. Promac's reputation for quality, durability and top rate service is something you can count on. Put us to the test and ask for a quote on your rolls.
